Wildlife Education

### **BIRTHDAY PRESENTATION!**

Invite your friends and family to party with a variety of animals from around the world! For your birthday celebration two enthusiastic, professional, and caring wildlife presenters will delight you by showcasing exotic mammals, reptiles, amphibians, and bugs, for an up close and personal look at some of nature's most fascinating creatures. Our fennec fox, serval, porcupine, groundhog, and hedgehog will enchant you. Meet (and hold!) a huge python, an alligator, a tremendous tortoise and its little baby, and some very creepy crawlies. 12 - 15 exotic species in all!

Our friendly presenters have degrees in biology or wildlife education and have a lot of experience talking about our animals in an interactive and fun way. We set up a rainforest-themed skirted staging area so that each animal is a surprise. Our birthday party presentations are fun and educational! We talk about where the animals are from, what they eat, their favorite things to do, and the special ways they live their lives. Afterwards all the children (and adults) clean their hands with "germy lotion" (antibacterial hand lotion) that we provide. See these creatures and more by inviting The Animal Guys to your next birthday bash!

### **OUR PARTY ANIMALS!**

- Exotic mammals: African serval wildcat, North American porcupine, Latin American coatimundi, African fennec fox, ground hog, African pygmy hedgehog, and a bunny.
- Reptiles & amphibians: Giant Burmese python, young American alligator, huge African tortoise and its little baby, blue tongued skink or monkey-tailed skink, a king snake or milk snake or baby anaconda, and a full-figured frog.
- Two surprise bugs! Walking stick, tarantula, largest species of scorpion (harmless), giant hissing cockroach, and the world's largest millipedes!
- Inquire about our extra super exotics: Boomer the bouncing Siberian lynx, Meeko or Chiquita the curious kinkajous, Mikki or Bug the mischievous squirrel monkeys, and Lola the lovely two-toed sloth. Ask about our amazing bird show with an owl, falcon, vulture, hawk and eagle.
